

2023

ANNUAL REPORT

★★★★★
IKE
EISENHOWER
FOUNDATION

FROM THE EXECUTIVE DIRECTOR

Dear Friend,

As I take time to reflect on the opportunities we seized in 2023, I am filled with immense gratitude. Our impact continues to strengthen as we extend our reach across our nation and our globe. The Eisenhower Foundation is a national movement promoting not only Dwight D. Eisenhower's life and legacy, but also his home state by showing the world the type of hardworking and intelligent leaders who hail from our Midwest state.

This past year was special. It encouraged us to dream bigger and keep executing our mission just as Ike would have wanted us to.

23,137 That's the record-breaking number of students and teachers we served via our flagship IKEducation K-12 program. What a joy it is to share that with you, given the global challenges of the last few years.

In addition, Ike's Soldiers continues to add more profiles of our fearless World War II veterans, making their stories available for years to come.

Future generations will thank us for completing Ike's Boyhood Home renovations. The Home had been closed for tours while undergoing a months-long preservation project, which included a comprehensive exterior preservation in addition to several maintenance and aesthetic updates to the home's interior.

MEREDITH SLEICHTER

“This past year was special. It encouraged us to dream bigger and keep executing our mission just as Ike would have wanted us to.”

In addition, we grew our family by adding six new individuals to our esteemed Board of Directors, bringing our total to 17. Having more brilliant minds and hearts committed to our mission is a gamechanger. We look forward to all that they will accomplish in partnership with our organization.

Lastly, we were recognized as the Northeast Regional Winner for Healthcare/Nonprofits at the Kansas Department of Commerce's 2023 To the Stars: Kansas Business Awards.

Thank you for being an essential part of the Eisenhower Foundation's success. Our partnership will ensure we proudly share Ike's rich legacy.

Sincerely,

A handwritten signature of Meredith Sleichter in blue ink, written in a cursive style.

Meredith Sleichter

IKEducation

Since launching in 2013, IKEducation has served more than 100,000 K-12 students and teachers by offering engaging and interactive programs online, onsite at the Eisenhower Presidential Library and Museum, and through outreach to schools.

From civics lessons on interacting with our elected officials to advising the President on communist expansionism, and much more, IKEducation provides engaging and interactive programs that make a powerful impact on students.

2022-2023 School Year

23,137 students & teachers participated in IKEducation

- **10,022** students and teachers visited campus for onsite field trips
- **8,200** students and teachers engaged with IKE Online
- **4,915** students and teachers were visited for IKE Express outreach programming

“The renovations to the Museum are phenomenal. I loved every part of our visit. Our IKEducators were very knowledgeable and were pleasant to work with.”

- Yoder Charter School Teacher

“ This program allows students to travel virtually to places they may not have an opportunity to visit. It also allows them to interact with ‘experts in the field’ directly to ask questions and learn in a different format. ”

— Online Presidents Day Participant

Ike's Soldiers

Ike's Soldiers has grown to a database of over 1,450 World War II soldier profiles and continues to conduct interviews with soldiers.

During the 2023 *Symphony at Sunset: D-Day Commemoration Concert*, nine veterans attended the Thank a Veteran Reception where the public was invited to visit with the veterans and hear about their personal experiences.

Projects to Preserve Ike's Legacy

Eisenhower Boyhood Home Restoration

This project was funded through a combination of federal funds and private funds from our Friends of the Eisenhower Foundation.

Fountain Restoration

This project repaired the fountain at the Place of Meditation and was funded by the Friends of the Eisenhower Foundation and the Vern & Shirley Walker Fund through the Community Foundation of Dickinson County.

Education Center

The Eisenhower Foundation began planning for a new brick-and-mortar Education Center that will launch Eisenhower's story from an interactive platform to share his rich legacy with the world.

Campus Plan

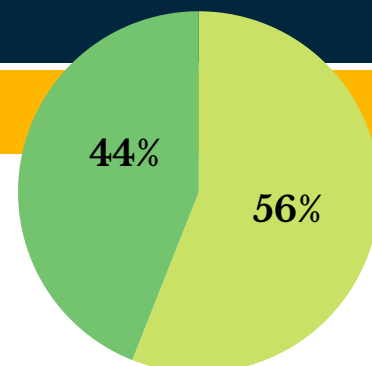

The Eisenhower Presidential Library campus evolved over the past century. We are in the early stages of a plan to address current facility issues within the five buildings and 22-acre campus. The plan will focus on visitor experience, accessibility and flow, wayfinding improvements, and security measures. In addition, it will incorporate the new Education Center into the overall plan for the future.
