My dear Mr. President:

Enclosed is a complimentary copy of "Strangers in Our Fields". This pamphlet concerns the program of importing Mexican Nationals into the United States for work on large farms.

"Strangers in Our Fields" is based on a report made by Dr. Ernesto Galarza, Research Director for the National Agricultural Workers Union AFL-CIO, following a four months' field survey made possible by a grant-in-aid received from the Fund for the Republic.

Sincerely yours,

*Frank L. Noakes*
