

Description: This is an outgoing message from SHAEF to FUSAG to observe radio silence between two date ranges. Radio silence is indicative of the start of an invasion, so this document could help deceive the enemy because 1) the enemy gets "numb" to the practice of radio silence not indicating the invasion, and 2) the dates listed do not include the real planned D-Day dates.

Date on document: May 14, 1944

Eisenhower Presidential Library
Box 60: SHAEF Office of Secretary, General Staff: Records 1943-1945
File 381: Fortitude, Operation Fortitude [1011-1150]

(IKEducation scan # 204)
