28 January 1948

MEMORANDUM FOR RECORD:

SUBJECT: Date of Death of First Lieutenant Donald C. Alexander, 0402857, Infantry

1. Records of The Adjutant General show the following:

- a. Casualty Report: KIA 19 June 1944
- b. Burial Report: KIA 20 June 1944
- c. WD AGO Form No. 56-1: KIA 19 June 1944
- d. Medical Tag: KIA, no date given; tagged at 7th Corps Cem
20 June 1944
- e. Report fr Office of Chief Surgeon, ETO: KIA 19 June 1944

2. Every available record, except the Burial Report, indicates that Lieutenant Alexander was killed in action on 19 June 1944. It is not clear why the Burial Report was completed to show the date of death as 20 June 1944; however, since the date as shown on the Burial Report conflicts with all other available evidence and no record in any way supports this date, it is recommended that no action be taken to change the date of death of Lieutenant Alexander from 19 June 1944.
