BIOGRAPHY

William "Billy" Moshier was born in Manhattan KS on July 15, 1922, one of ten children. He served in the US Army during World War II as a tank gunner under General Patton. He was discharged at the end of the war. Upon returning from the war Moshier ran a bakery in Manhattan, KS before relocating in Garden City, KS where he worked in a meat packing plant which led to becoming a federal meat inspector. Later in life Moshier moved to Las Vegas where playing stud poker became a hobby.
