Dear Governor Kennon:

I have put considerable thought and study on the problems involved in the school segregation cases. I am well aware of the serious questions involved for both the Government and your great State.

In view of the legal aspects of these cases, I forwarded a copy of your letter to the Attorney General early last week. I am sure that he will be in touch with you concerning it.

With kind regard,

Sincerely,

DWIGHT D. EISENHOWER

The Honorable Robert F. Kennon x
Governor of Louisiana
Baton Rouge, Louisiana

x

CC: The Attorney General
